Dry Canyon Arts Association invites you to see the impressive wood carvings of artist Bill Hunt at Arome kitchen store in Redmond during First Friday, September 2nd from 4-7pm. Bill took up wood carving after he retired. He began creating his Fence Post Ducks using 100 year-old cedar posts from the Central Oregon cattle ranches. A golfer and fisherman, Bill decided to expand his art into his Golf and Fish Art by re-purposing rare persimmon wood clubs with hand-carved duck heads to make perfect, one-of-a-kind golf gifts. Bill used juniper wood for his stringers of fish. Bill lives in Redmond, Oregon with his wife, Gilda.
